School Road MCW-19-00025 & Frosts Lane Extension Gas Tax

Chris Roberts noted Frosts Lane Extension main issue tree & fence removal to provide asphalt
width. Agreed council member to talk to resident.

Questioned fill disposal.

Scott (Concord Paving) said he had to cut trees going up to the school in order to get his
equipment in to clean out the brook. He asked if we had somewhere to dispose of the trees Mayor
Morrissey told him to see Kevin, our maintenance person that he had a place to dispose of this.

Swale on School Road was discussed and members agreed it was needed.
