PUBLIC SERVICE ANNOUNCEMENT

Eastern Health Reminds Public to Call 911 for Ambulance Service

April 5, 2019 - St. John's, NL: Eastern Health reminds the public to **call 911** for ambulance services, following notification that Fewer's Ambulance Services will be replacing Moore's Ambulance Services as a contracted ambulance provider for Conception Bay North, including the Clarke's Beach, Spaniards Bay and Harbour Grace areas.

Eastern Health has worked with the Department of Health and Community Services and other private operators in the area to ensure there is continued ambulance coverage for these communities. Eastern Health assures the public that emergency and routine ambulance service to the area will continue uninterrupted.

Eastern Health stresses the importance of **calling 911** for all emergencies to ensure there is no delay in an ambulance response.
