

TOWN OF NORTH RIVER

Consolidated Financial Statements

For the Year Ended December 31, 2021

STATEMENT OF RESPONSIBILITY

The accompanying Consolidated Financial Statements are the responsibility of the management of the Town of North River and have been prepared in compliance with legislation, and in accordance with generally accepted accounting principles established by the Public Sector Accounting Board of the Association of Chartered Professional Accountants of Canada.

In carrying out its responsibilities, management maintains appropriate systems of internal and administrative controls designed to provide reasonable assurance that transactions are executed in accordance with proper authorization, that assets are properly accounted for and safeguarded, and that financial information produced is relevant and reliable.

The Council of the Municipality met with management and its external auditors to review a draft of the consolidated financial statements and to discuss any significant financial reporting or internal control matters prior to their approval of the finalized consolidated financial statements.

Beacon Accounting Professional Corporation, as the Municipality's appointed external auditors, have audited the Consolidated Financial Statements. The Auditor's report is addressed to the Mayor and members of Council and appears on the following page. The opinion is based upon an examination conducted in accordance with Canadian generally accepted auditing standards, performing such tests and other procedures as they consider necessary to obtain reasonable assurance that the Consolidated Financial Statements are free of material misstatement and present fairly the financial position and results of the Municipality in accordance with Canadian generally accepted accounting principles.

Mr. Brian Hurley
Mayor

Date July 14, 2022

Town Clerk

Date July 7 2022

INDEPENDENT AUDITOR'S REPORT

To the Mayor and members of Council of the Town of North River

Opinion

We have audited the consolidated financial statements of the Town of North River (the Municipality), which comprise the consolidated statement of financial position at December 31, 2021, and the consolidated statements of operations, changes in net financial assets, changes in annual surplus and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Municipality as at December 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards (PSAS).

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Municipality in accordance with ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with PSAS, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Municipality's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Municipality's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

(continues)

Independent Auditor's Report to the Mayor and members of Council of Town of North River (continued)

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipality's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of this financial statement

TOWN OF NORTH RIVER
Notes to the Consolidated Financial Statements
As at December 31, 2021

1. Status of the Town of North River

The incorporated Town of North River is a municipal government that was incorporated in 1964 pursuant to the Province of Newfoundland and Labrador's Municipalities Act, 1999. The Municipality provides or funds municipal services such as fire, public works, parks and recreation, library, tourism and other general government operations.

2. Significant Accounting Policies

These consolidated financial statements have been prepared in accordance with Public Sector Accounting Standards as recommended by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada and reflect the following significant accounting policies:

a) Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon the receipt of goods and services or the creation of an obligation to pay.

The Town of North River has adopted the PSAB's recommendations for recording tangible capital assets and financial statement presentation. The tangible asset section, PS 3150, establishes standards on how to account and report tangible capital assets in government financial statements. The financial statement presentation section, PS 1200, establishes general reporting principles and standards for the disclosure of information based on the underlying financial statement concepts and the objectives of the government financial statements.

b) Cash and Temporary Investments

Cash and temporary investments include cash and short-term investments with maturities of three months or less from the date of acquisition.

c) Government Transfers

Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

d) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the change in net financial assets for the year.

TOWN OF NORTH RIVER
Notes to the Consolidated Financial Statements
As at December 31, 2021

e) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. Assets under construction are not amortized until the asset is put into use and one-half of the annual amortization is charged in the year of acquisition and in the year of disposal. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over their estimated useful lives as follows:

General Tangible Capital Assets

Land	Indefinite
Buildings and leasehold improvements	
Buildings	25 years
Recreation facilities	10 - 20 years
Machinery, equipment and furniture	5 - 10 years

Infrastructure Assets

Transportation	
Roads	20 - 25 years
Road surface	5 - 20 years
Road grade	30 years
Bridges	30 - 50 years

f) Revenue Recognition

Tax revenues are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. As taxes recorded are initially based on management's best estimate of the taxes that will be received, it is possible that changes in future conditions, such as reassessments due to audits, appeals and court decisions, could result in a change in the amount of tax revenue recognized. Taxes receivable are reported net of an allowance for anticipated uncollectable amounts.

Sales of services and other revenues are recognized in the period in which events giving rise to the revenue occur and the consideration can be practicably measured.

g) Use of Estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available. Management has made significant estimates regarding the useful lives of tangible capital assets, determination of its allowance for doubtful accounts and deferred revenue.

TOWN OF NORTH RIVER
Notes to the Consolidated Financial Statements
As at December 31, 2021

3. Cash

Cash and temporary investments are comprised of the following:

	<u>2021</u>	<u>2020</u>
Bank - operating	\$ 168,106	\$ 87,406
Bank - Grants	12,116	24,193
Bank - Gas Tax	<u>24,541</u>	<u>40,879</u>
Guaranteed Investment Certificate, bearing interest at 0.05%, maturing March 31, 2022	<u>40,828</u>	<u>48,618</u>
	<u><u>\$ 245,591</u></u>	<u><u>\$ 201,096</u></u>

4. Amounts Receivable

	<u>2021</u>	<u>2020</u>
Taxes receivable	\$ 352,753	\$ 328,819
Other amounts receivable	540	540
HST rebate receivable	<u>20,293</u>	<u>34,770</u>
	\$ 373,586	\$ 364,129
Less: Allowances for doubtful amounts	<u>(265,000)</u>	<u>(245,000)</u>
	<u><u>\$ 108,586</u></u>	<u><u>\$ 119,129</u></u>

5. Accounts Payable and Accrued Liabilities

	<u>2021</u>	<u>2020</u>
Accounts payable	\$ 16,554	\$ 25,359
Accrued expenses	<u>3,000</u>	<u>3,000</u>
	<u><u>\$ 19,554</u></u>	<u><u>\$ 28,359</u></u>

6. Deferred Revenue

	<u>2021</u>	<u>2020</u>
Deferred gas tax revenue	97,655	33,371
Deferred grant revenue	<u>10,340</u>	<u>11,443</u>
	<u><u>\$ 107,995</u></u>	<u><u>\$ 44,814</u></u>

TOWN OF NORTH RIVER
Notes to the Consolidated Financial Statements
As at December 31, 2021

7. Subsequent Event

Subsequent to year end, Council was notified of a financial irregularity by the bank. It was found to be fraudulent but the funds were returned and, upon investigation, it was determined to be a one time event. There is no impact on the 2021 financial results.

8. Financial Instruments

The Municipality, as part of its operations, carries a number of financial instruments. It is management's opinion the Municipality is not exposed to significant interest, currency or credit risk arising from these financial instruments, except as otherwise disclosed. Unless otherwise noted, the fair value of these financial instruments approximates their carrying values.

Credit Risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Municipality is exposed to credit risk from its residents and businesses. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends, and other information. The Municipality has a significant number of residents which minimizes concentration of credit risk.

Liquidity Risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Municipality is exposed to this risk mainly in respect of receipt of funds from its residents and other related sources and accounts payable.

9. Risk Management

As part of the town's overall risk management, its insurance policy includes crime coverage of \$10,000 per occurrence covering employee dishonesty and various other fraud-related risks.

The Municipality's insurance coverage and the manner in which the accounts have been kept and the safeguards against fraud are considered to be satisfactory.

10. Budget

In accordance with the *Municipalities Act, 1999* every council must adopt a financial plan for each fiscal period in a form approved of by the minister. The financial plan is prepared on a revenue and expenditure basis that does not meet the recommendations of PSAB. For comparative purposes, the Town/City has modified its financial plan to prepare a budget that is consistent with the scope and accounting principles used to report the actual results. The budget figures used in these financial statements have been approved by Council.

The reconciliation between the Municipality's cash based financial plan and the PSAB accrual based budget figures used in these statements is disclosed in Schedule 6 - Reconciliation of the Financial Plan to the Budget.
